October 9th - 13th

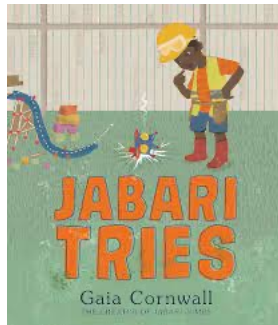

CLASSROOM NEWS

We will continue our exploration topic of **buildings**. This week's focus questions are, **Who builds buildings?** and **What tools do they use?** We will talk about the different tools and vehicles used in a construction site. We will learn about shapes and use our knowledge to build homes and buildings that we see using shapes and art materials in our classroom.

BOOKS

I want to be a Builder
By Pat Hutchins

Jabari Tries
By Gaia Cornwall

ACTIVITIES

We will be construction workers for the week and build buildings using different art supplies. We will be using our hands and glue as our tools.

We will measure how tall we are by building a tower and counting how many blocks we need

TO-DO

screwdrivers

screw

twist

hammer

nails

pound

REMINDERS

*Please check your child's folder as often as possible!

*Please remind your child that we must **share and take turns using toys and outside playground** and to always **keep our hands and feet to ourselves.**
