November 13<sup>th</sup> - 17<sup>th</sup>

## CLASSROOM NEWS

This week we will continue our new exploration of **BALLS**. This week our focus questions are, **"What different types of balls are there?"**

**And "How are they the same and different?"**

We will brainstorm all the different types of balls we are aware of during circle time. We will narrow in on what sports we play that use balls and then chart our favorite sports that we play. We will also learn the new word Sphere and talk about what objects are shaped like **spheres**.

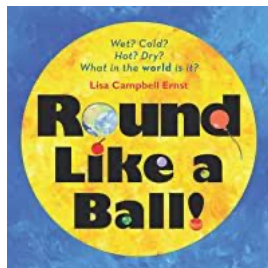

We will create our own masterpiece using balls and paint!

We will brainstorm what sports we play that use balls and then chart our favorite sports that we play.

## BOOKS

**Have a Ball**  
Teaching Strategies

**Round Like A Ball**  
By Lisa Campbell Ernst
