

**Pre-K Classroom Newsletter**  
**January 29th - February 2nd**

**Classroom News**

This week we will learn about where pets live. We will discuss what home is best for each pet and why.

We will be reading various books. Some of these include:

**Vocabulary**

We will be learning new vocabulary each week. Our words of the week are:  
**aquarium, bedding, cage, enclosure, gallon, habitat, inch, and nest**

**Weekly Experiences**

This week the children:

- will have children create different habitats in the block center.
- will create a habitat for a pet in the art center using various materials.
- will decorate pet carriers in anticipation of adopting a pet.

**Home Extensions**

Using various materials around your house, have your child create a habitat for a pet. For example you can use boxes to make a bed for a dog or cat or pipe cleaners and a milk jug to make a cage for a bird. When you are finished, you can bring it in to show the class.

Please send in a photo of a family pet by Monday if you have one!

**(Over)**

The background of the page is decorated with a pattern of colorful fish in shades of blue, green, and orange, swimming among light blue bubbles of various sizes. The overall theme is aquatic and cheerful.

**Have a nice weekend!**
