

Pre-K Classroom Newsletter
March 18th - March 27th

Classroom News

This week we will conclude our Water Unit. The students will learn about how water helps us and the environment.

We will be reading various books. Some of these include:

Vocabulary

We will be learning new vocabulary each week. Our words of the week are:
absorb, aquatic, conserve, dehydrated, hydrated, thirsty, and watering can

Weekly Experiences

This week the children:

- will make paper boats and see if they float.
- will create water lily paintings.
- will create clouds.
- will create their own ocean in a jar.

Home Extensions

This week we ask that while you are outside, look at the different types of water that are around us. Discuss how they are similar and how they are different.

Talk with your child about how they can conserve water at home.

(Over)

Have a nice weekend!
