April 8th - April 12th

Classroom News

This week we will begin the Clothing Unit. During the unit the students will learn about different types of clothes, how people care for clothes, and how to design and create their own clothes. This week the students will learn about different types of clothes and why we wear them.

We will be reading various books. Some of these include:

Vocabulary

We will be learning new vocabulary each week. Our words of the week are: **garments, mittens, purpose, repel, smock, uniform, and weather**

Weekly Experiences

This week the children:

- will paint different articles of clothing.
- will discuss the importance of rainboots and make their own from various materials.
- will sort different types of clothes based on what season we wear them in.
- will draw different uniforms that people wear.

On the back of this sheet you will find the learning objectives for this unit.

Home Extensions

This week try to create puppets with your child by using socks and different materials you have around your house.

Talk to your child about different types of clothes. Explain to them why we wear those clothes during the day.

Have a nice weekend!
