At the bottom, there is an eight, a plus sign, a five, a division sign, a calculator, a plus sign, a zero, a two, and a three. On the left side, there is a calculator, a right-angled triangle, a ruler, a three, a five, a plus sign, a seven, a six, a one, and an equals sign.

Dear Students and Families,

Welcome! I am so grateful to have the opportunity to work with your children in 5th grade this year. As we get ready to start the beginning of a new school year, I want to express my excitement for this new role at SFA. I am eager to get to know you all and welcome you back to SFA. Whether you are returning to our school or joining us for the first time, I am thrilled to have you as part of our community.

This upcoming school year promises to be filled with new learning experiences, opportunities for growth, and many memorable moments. Together as a team, I know we will have a successful year. I am ready to support your child first and foremost, academically but also socially and emotionally.

Here are a few important updates and reminders to help you and your child get ready for the first day of school:

- Our first day back will be on September 4, 2024. It will be a half day, dismissal is at 12:30pm.
- A list of required school supplies has been attached to this letter. Please ensure your child comes prepared with the necessary materials to start the school year on the right foot.
- Please keep in mind that we do have some severe allergies in our class. I will follow up with specifics before the first day of school. Also, please only send in water to drink through-out the day.

Lastly, open communication between school and home is crucial for student success. Please download the **Remind App** and join our class with the code @msmeehan5. Please never hesitate to reach out and email me anytime at smeehan@sfaacademy.org.

Enjoy the rest of your summer!

Ms. Meehan
