

Dear Soon to be Second Graders,

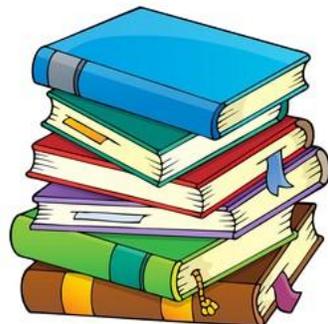

First I would like to wish you all a HAPPY SUMMER! I hope it is relaxing, fun and full of smiles. I am so impressed with your hard work completing first grade during a global pandemic. You should be so proud of yourselves! Your teachers have shared all of your wonderful successes with me and I cannot wait until we get to learn together in September!

It is important that you keep your mind and body active over the summer. I want you to remember all the information you learned this year so we can build on your knowledge in Second Grade.

Please work hard on the Summer Bridge Book 1-2. Many of you have purchased this through the school, but if needed, it can be purchased on Amazon. This will cover all of the important skills you learned this year and keep your mind sharp! You will also have access to iReady throughout the summer. I ask that you spend 30 minutes working on iReady Reading each week and 30 minutes working on iReady Math.

Lastly, it is so important that you keep reading! Reading is one of my favorite summertime activities. I love to sit outside in the shade or cuddle up on the couch with a good book. I have attached a Reading Log for you to keep track of all the books you read! This will help me see what kind of books you are interested in and we can share some new suggestions with our classmates. Please read for 30 minutes at least 3 times per week. Practice reading aloud with your friends and families.

I am so excited to have you in my class next year! I am looking forward to seeing old faces and welcoming new friends! We are going to have a wonderful year! Stay healthy and enjoy your summer break!

Best wishes,
Miss Davis
