

## Pre-K 109 Classroom Newsletter

October 12th-October 16th

### Classroom News

The children had a great time learning all about what makes them unique and their sense of sight. This week we will be learning all about our sense of hearing. We will also talk about our feelings.

### Books

We will be reading many books this week that are about feelings and our senses:

### Vocabulary

We will be learning new vocabulary each week. Our words of the week are:

angry, excited, frustrated, scared, deaf, language, and hearing aid.

### Weekly Experiences

The students will discuss how they feel with an interactive feelings chart.

### Home Extensions

In order to extend learning from school to home try some of these fun together time activities:

- Practice role playing using dolls and stuffed animals. Come up with different scenarios and ask your child, "How would you feel in this situation?"
- Ask your child to name some of the things that make them happy in school.
- Go on a walk around the neighborhood and draw your child's attention to things they can hear. Have them draw a picture of things that make noises.

### Reminders

There is no school or Seesaw on Monday 10/12 for Columbus Day.

Please send into school your child's Health Examination Form (Physical) and Immunization history form. Thank you for your timely cooperation with this matter.

Every child must have a flu shot by December 31<sup>st</sup> or they may not return to school in January. Anyone who has not submitted an updated medical or immunization form **must do so now**, as they were due the first week of school. Thank you to those who have already done so.

Please note.. Friday October 30<sup>th</sup> PKFA will **not** be in session. School is closed.
