We will be reading various books as we continue our units “All About Us” and the “5 Senses.” Some of these include:

Vocabulary

These are academic vocabulary words that will help your child better understand the unit:

community, friends, kind, manners, peace, polite, respect, share, teamwork, together, flavor, mouth, nose, savory, smell, sour, sweet, taste, taste buds, tongue

Weekly Experiences

- We will get an opportunity to taste various apples and will chart everyone’s favorite!
- We will make friendship bracelets!

Home Extensions

In order to extend learning from school to home try some of these fun time together activities. These activities will reinforce and extend what is being taught in class:

- Practice role playing using dolls and stuffed animals. Come up with different scenarios and ask your child “What would a good friend do in the situation?”
- Ask your child the names of some of their friends. What do they like about them?
