

# Pre-K 107 Classroom Newsletter

October 26th-October 30th

## Classroom News

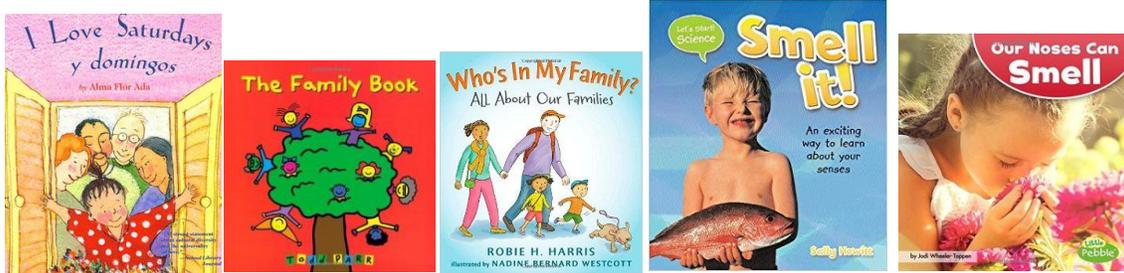

**Important:** Every child must have a flu shot by December 31st or they may not return to school in January. Anyone who has not submitted an updated medical or immunization form must do so now, as they were due the first week of school. Thank you to those who have already done so.

**\*\* Please note... Friday October 30th PKFA will not be in session. School is closed.\*\***

This week we will be learning all about our families and what makes them unique. We will discuss who makes up our family. We will also be discussing our sense of smell.

## Books

We will be reading many books this week that are included in our units "All About Us" and our "5 Senses." Some of these books include:

## Vocabulary

These are academic vocabulary words that will help your child better understand the unit:

adopted, aunt, big, brother, cousin, culture, family, father, grandfather, grandmother, mother, older, siblings, sister, small, together, uncle, younger, smell, nose

## Weekly Experiences

- We will celebrate Halloween on Thursday by wearing black and orange!
- The children will be able to share their family tree leaves with the class and show off the beautiful family pictures on it. Afterwards, we will hang the leaves on our family tree outside the classroom door for all to see!

## Home Extensions

In order to extend learning from school to home try some of these fun time together activities. These activities will reinforce and extend what is being taught in class:

- Draw a picture of your family!
- Invite children to smell or taste a new food or something they would not usually eat. Ask them about how it looks? What do you see? How does the food feel before you try it? How does it taste? How does it smell? Would you try it again?
