

## Pre-K 109 Classroom Newsletter

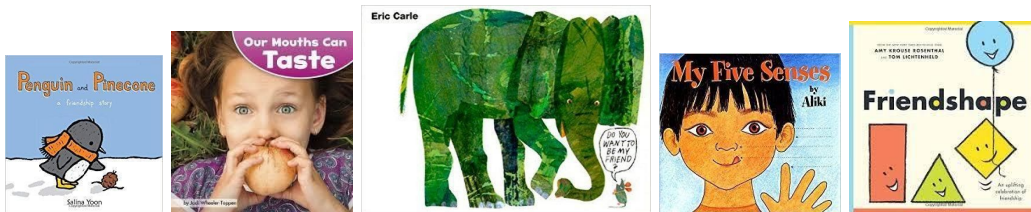

October 19<sup>th</sup>-October 23<sup>rd</sup>

### Classroom News

This week we will be learning all about what makes our classmates important and unique. We will also learn about our sense of taste.

### Books

We will be reading many books this week that are about friends and our sense of taste. Some of these books include:

### Vocabulary

We will be discussing new vocabulary each week. Our words of the week are:

flavor, mouth, sour, sweet, taste buds, tongue, and savory

### Weekly Experiences

The students will be tasting different apples and voting on their favorite! We will also make friendship bracelets.

### Home Extensions

In order to extend learning from school to home try some of these fun together time activities.

These activities will reinforce and extend what is being taught in class:

- Ask your child if they made any new friends this week. What do they like about them?
- Do a taste test with your child. Ask them what they like, what they do not like, and why.

### Reminders

Every child must have a flu shot by December 31<sup>st</sup> or they may not return to school in January. Anyone who has not submitted an updated medical or immunization form **must do so now**, as they were due the first week of school. Thank you to those who have already done so.

Have a great week!
