

## Pre-K 109 Classroom Newsletter

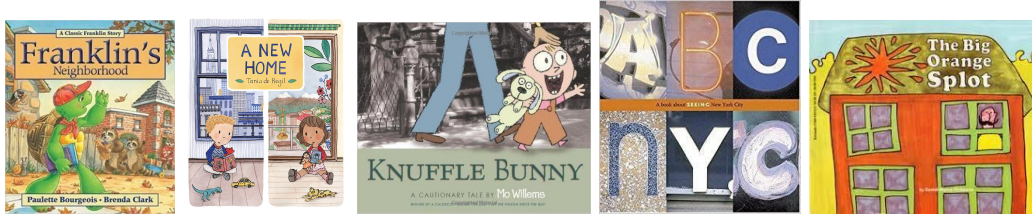

November 9th-November 13th

### Classroom News

This week we will begin our next unit of study, Where We Live. In this unit the students will learn that homes are places where we live. This week we will learn about where we live and where our family members live.

### Books

We will be reading many books this week that are about our community. Some of these books include:

### Vocabulary

We will be learning new vocabulary each week. Our words of the week are

address, neighborhood, street, home, and city

### Weekly Experiences

This week we will be exploring pictures of different types of homes we have in our neighborhood.

### Home Extensions

In order to extend learning from school to home try some of these fun together time activities.

- Take a walk in your neighborhood looking at the types of homes in the area. Make a picture chart of the typical kinds of homes in the area and write the number of homes you see.
- Take a walk in your neighborhood and see what types of buildings you can find in your community such as the post office, library, or supermarket.
  - Have your child create buildings out of blocks or popsicle sticks!
- Practice name writing with your child using both uppercase and lowercase letters
- Practice putting on a jacket and zipping

### Reminders

**-There is no school on Wednesday, November 11th.**

- Every child must have a flu shot by December 31<sup>st</sup> or they may not return to school in January. Anyone who has not submitted an updated medical or immunization form **must do so now**, as they were due the first week of school. Thank you to those who have already done so.
