

PKFA 110 Newsletter

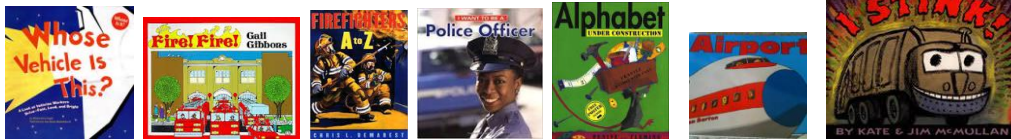

Week of January 4, 2020

This week, the children will learn about the people who operate vehicles in our community.

The letter this week is Nn and we will begin to learn about numbers. The number this week is 0 zero.

New vocabulary words will be introduced, they are: **airplane, airport, ambulance, cement mixer, conductor, crossing guard, driver, EMT, engineer, fire engine, firefighter, helicopter, locomotive, mail carrier, mail truck, mechanic, operator, pilot, police car, police officer, and train tracks**

We will hear the following stories:

This week the children will experience the following activities:

- They will make a bus or train out of an egg carton. They will label them with a letter or number.
- They will try to build a bridge in blocks.
- Dramatic Play will become a mechanics garage and they will work on an engine.
- They will make a paper airplane and see if they can make it fly.
- They will learn about parachutes, we will be using one when we do movement and music.

Home to School Activities

Look for numbers and letters on vehicles such as buses, trains, and trucks. Ask your child to identify them.

REMINDERS

Please make sure your child wears sneakers on Tuesdays and Fridays, otherwise they will not be able to participate in gym.
